EDUCATION

University at Buffalo, The State University of New York

Bachelor of Science, Information Technology & Management

GPA: 3.53/4.00

PROJECTS

Data Visualization of Buffalo Crimes: Python, Javascript, HTML

Developed an innovative data visualization website, leveraging live data from the City of Buffalo's website to
display and analyze crime rates through interactive graphs, offering users the ability to input specific parameters
for customized insights.

WORK EXPERIENCE

University at Buffalo

Amherst, NY

Undergraduate Teaching Assistant

Aug 2023 - Present

- Utilize programming skills to mentor students, ensuring clear communication and effective code debugging assistance
- Collaborate with instructors in material development and troubleshooting technical challenges
- Analyze student performance to identify trends, areas for improvement, and provide personalized feedback

Lululemon Monroe-Woodbury, NY

Seasonal Educator

May 2023- Aug 2024

- Delivered exceptional customer service through company values and providing personalized assistance and product recommendations.
- Provided input on merchandising strategies and customer feedback to improve product placement and store layout
- Efficiently managed multiple tasks during high-traffic periods, balancing customer service, inventory restocking, and maintaining store presentation.

LEADERSHIP & ACTIVITIES

Phi Sigma Sigma, University at Buffalo

Amherst, NY

Campus Relations Chair

Aug 2024 - Present

- Drive innovation by presenting new ideas during meetings to improve existing programs and create new
 opportunities for sisterhood and service.
- Foster connections between the sorority and other campus organizations to build a positive presence within the university community
