INTERIOR DESIGN MAJOR CONSTRUCTION MANAGEMENT MINOR

Hello, my name is Megan Kliethermes, and I am currently a junior at Missouri State University (MSU) studying Interior Design and Construction Management. My design style is influenced by natural materials and a thoughtful balance between aesthetics and functionality. I strive to incorporate sustainability, innovation, and meaningful detail into every project.

EDUCATION

2024-December 2027

Missouri State University

AWARDS

National Kitchen and Bath Association

- Ellen Cheever Award Winner 2026

SKILLS

- Proficient in SketchUp
- Proficient in AutoCAD
- Professionalism
- Customer Service
- Time Management
- Procore Student Certified

WORK EXPERIENCE

Data Entry Clerk

Missouri State University, 2025 - Now

Completed data entry tasks with accuracy and efficiency. Attendance at the Admissions Office front desk. Assisted students and answered admissions phone calls. Checked the input date against original documents.

Interior Design Intern

Office of Administration, 2026-2026

Job shadowed interior designers who work for the state of Missouri. Traveled around the state examining and surveying proposed and in-progress projects. Completed AutoCAD cubical revisions. Archived past projects. Updated old AutoCAD drawings of state buildings.
