PROJECTS

Private Pilot's License, Fullerton, CA June 2023 – Present

- Taking flying lessons with the goal of getting my pilot's license in Summer 2024
- Completed ground school, over 40 hours of flight time

WORK EXPERIENCE

Mathnasium, Math Tutor, Fullerton, CA June 2022 – July 2023

- Provided math tutoring to small groups of kindergarten to 8th grade students
- Provided individual math tutoring for high school students up through Calculus
- Given keys and the responsibility of opening and closing the center when owner is not present

Self-employed, Private Math Tutor, Fullerton, CA. August 2023 – May 2024

- Provided private math tutoring to students from elementary through high school
- Promoted my services on Facebook and through word of mouth

Crittenton Family Services, Volunteer, Fullerton, CA June 2022 – June 2023

- Volunteered throughout the summer by helping with general office and clerical work, including assisting with safety clearance for volunteers through government systems.
- Provided childcare for children of teen residents so that they can attend school
- Coordinated and provided weekend activities for residents such as art, food and games.

LEADERSHIP

Director of Fundraising, International Baccalaureate Program (Sunny Hills HS) August 2023 – May 2024

- Raised over \$700 for the IB program at Sunny Hills High School to fund events for IB students
- Attended monthly IB cabinet meetings to plan events and contributed ideas to improve the IB program

President and Vice President, Lion's Heart Community Service Club May 2020 – April 2024

- Planned and led bimonthly meetings
- Initiated service projects from beginning to end
- Served as vice president for two years and president for one year
