EXPERIENCE

Cronuts Donuts, Fayetteville, AR — Sales/management

January 2021- November 2022

I worked in sales and helped customers whenever they had questions. As I moved up I started to become in charge of other employees. I trained them and made sure they were doing their jobs to the best of their ability by helping them when needed.

Trinity Prep Day School, Farmington, AR— Lead nursery Teacher

December 2022- August 2023

I was the lead teacher in the Nursery. I took care of the kids and helped them develop fine motor skills. I helped them in day-to-day activities such as crafts and transitions whenever milestones were hit.

Financial aid Office, Fayetteville, AR— Call Center Agent

october 2024- Present

I currently work in the Financial aid office on campus. I answer calls from students and families. I work to fix any issues that they might have with any loans, scholarships, or other financial aid offered to them.

EDUCATION

Farmington High School, Farmington, AR —Graduated May 2023

I Graduated with a 4.1 GPA and was in the top 15% of my class. I took multiple concurrent classes as well as working a full-time job most of high school. I was involved in several organizations such as the National Honor Society, Washington County Teen Leadership, and Junior Bank Board.

Arkansas Tech University, Russellville, AR— 2023-2024

I am a transfer student. I was enrolled at ATU as a Freshman. I am an elementary education major with the hopes of teaching 1st grade after I graduate. I plan to obtain my master's degree to become a part of the administration staff at an elementary school.

SKILLS

I am a very good multitasker. I am also very good under pressure and can work quickly, and efficiently while still getting the job done. Whenever I am given a task I am responsible, hardworking, and calm.
