

# ANDY LE

**3801 Treeridge Parkway | 678-237-2729 | thisisandyle@gmail.com**

Reliable and detail-oriented professional with a strong ability to focus and deliver high-quality results. Known for adaptability and a fast learning curve, with a commitment to efficiency and consistency. Enthusiastic about tackling new challenges, particularly in roles that value thoroughness and personal accountability.

## EXPERIENCE

### **JULY 2023 - October 2024**

Automated Logistics Supply | Army | Fort Drum, NY

Managed stock control and warehouse functions, ensuring the efficient flow of supplies, equipment, and materials. Performed tasks such as receiving, storing, and distributing supplies, including medical and food items requiring special handling and storage conditions. Used automated logistics systems to track inventory, process supply requests, and maintain detailed equipment records.

### **SEPTEMBER 2022 – JULY 2023**

Back Of House Team Member | Chick-Fil-A | Alpharetta, GA

Worked in a fast-paced kitchen environment, preparing and cooking meals according to the company's quality standards. Maintained a clean and organized kitchen, following strict food safety and sanitation procedures. Operated kitchen equipment safely and efficiently to meet customer demand during peak hours. Collaborated with team members to ensure orders were prepared accurately and on time.

### **May 2017 – August 2022**

Shift Leader | Dunkin' | Norcross, GA

Supervised daily store operations, ensuring smooth workflow and efficient customer service during assigned shifts. Managed a team of employees, delegating tasks, providing on-the-job training, and ensuring that all team members followed company policies and safety protocols. Handled inventory management, including ordering supplies, tracking stock levels, and maintaining inventory records. Resolved customer issues and complaints, providing high-quality service in a fast-paced environment.
