2023 – PRESENT

Dental assistants are playing vital roles in supporting dentists and ensuring optimal patient care. Created a friendly welcoming environment for patients, walked patients to the front, prepared, set up, organized, cleaned, sterilized, replenished supplies. Proactively assisted during procedures, ensured smooth clinic operations.

U.S. DENTAL CLINIC SHADOWING

Integrative Family Dentistry, Roswell, GA

And Anchor Dental, Dacula, GA 2023-2024

This opportunity has opened my eyes to the impact dentistry can have on our patients' lives. By addressing issues in their mouths, such as airway obstruction and tongue-tie, we can improve their overall health. Fixing these problems while they are still young allows us to prevent future airway obstruction and ensure healthier lives as they grow up.

SKILLS

- **Comprehensive Dental Care:** Proficient in a broad spectrum of dental procedures, including periodontics, endodontics, prosthodontics, restorative, and esthetic restorations. Proficient in diagnosing and treating a variety of oral health conditions.
 - **Research Expertise:** Skilled in data collection and analysis, literature review, and research methodologies. Strong analytical and critical thinking abilities, with meticulous attention to detail and effective time management. Excellent communication and collaboration skills within research teams.
 - **Clinic Management:** Proven experience in clinic administration, accounting, and human resources. Successfully managed dental clinics, overseeing daily operations, staff training, and ensuring high standards of patient care.
 - **Effective Communication:** Bilingual proficiency in Thai and exceptional command of English, with excellent communication skills. Adept at conveying complex dental information to patients and collaborating effectively with colleagues.
 - **Aesthetic Dentistry:** Trained in aesthetic implant dentistry and Invisalign Go. Passionate about creating beautiful smiles and enhancing patients' self-confidence.
 - **Multilingual Abilities:** Fluent in English and Thai, facilitating communication with diverse patient populations.
