RELEVANT EXPERIENCE

COOLEY DICKINSON HOSPITAL- Northampton, MA

Registered Nurse – Telemetry Unit

06/2022 – Present

Delivers patient care using the nursing process and coordinates with other disciplines to ensure efficient care and positive outcomes. Provides specialized care for patients requiring rhythm interpretation, mechanical ventilation, hemodynamic monitoring, or peritoneal dialysis. Recognizes and assists with shock and life-threatening complications and supports emergency or elective cardioversions and temporary pacemaker insertions.

LABOR & DELIVERY CLINICAL ROTATION – BAYSTATE MEDICAL CENTER FRANKLIN, Greenfield, MA

Student Nurse

2022

Assisted nurses and physicians with both vaginal and cesarean deliveries. Observed post-cesarean infection surgeries and supported maternal recovery by monitoring vital signs and educating patients. Gained experience in fetal monitoring, intrapartum care, and postpartum patient education to ensure safe outcomes for mothers and newborns.

BEHAVIORAL HEALTH NETWORK - Northampton, MA

Residential Supervisor

2016-2020

Delivered direct and indirect support to consumers in all DDS residential settings, promoting growth and independence. Supervised staff and managed administrative tasks including scheduling, performance evaluations, and disciplinary actions. Also managed medication reconciliation, record keeping, and provider communications.

ADDITIONAL ROLES

- Berkshire Family Individual Resources** – Residential Support Professional (2019–Present)
