2x President's List

RESEARCH EXPERIENCE

Delta State University Cleveland, MS
Summer 2025

With Dr. Severine Groh, I observed the relationship between a protein, Sarcospan (SSPN), and Adipogenesis. This research targeted SSPN as a potential therapeutic protein in metabolic disorders characterized by altered adiposity and insulin resistance.

WORK EXPERIENCE

Abraham's Clothing: 136 N Sharpe Ave Cleveland, MS 38732
September 2025 – February 2026
