Dear Janelle,

It is my great pleasure to inform you that you have earned a place on the Spring 2025 Dean's List!

This distinction is a fitting recognition of your commitment, hard work, and perseverance. You should take great pride in this accomplishment; while many students attend MCC, only a select few achieve this award for academic excellence. By earning a semester grade point average (GPA) that meets or exceeds 3.50, you have demonstrated your dedication to your education, as well as the work ethic and habits of mind that will serve you well throughout and beyond your academic career.

Your exemplary academic performance continues to inspire our faculty and staff. Congratulations on this noteworthy achievement and best wishes for continued success at MCC!

Sincerely,

Michael Jacobs, D.Arts.
