McKinney, TX 75070

Dear Brandon,

It is my great pleasure to congratulate you on your extraordinary academic achievement for the second half of calendar year 2024, and to inform you that you have earned a place on the University of Phoenix President's List.

President's List recognition represents the pinnacle of academic achievement during your pursuit of an academic degree at University of Phoenix. Students must complete a minimum number of credits and earn a 4.0 GPA during a six-month period to qualify.

To be a University of Phoenix student is to have a unique dedication and passion for achieving your professional goals, but by meeting this rigorous standard, you have also shown fierce commitment and an uncommon perseverance that bodes exceptionally well for your future academic and professional success.

We look forward to recognizing your achievements throughout your program, including the possibility for being recognized on your diploma and official transcript as graduating with honors at the end of your program—a distinction for graduates of our associate and bachelor's degree programs with a final program GPA of 3.70 or higher. In the meantime, your current GPA may qualify you to join an honor, academic, or professional society. I encourage you to visit the website below for more information about the student organizations that are recognized by the University, and to determine whether you qualify.

On behalf of all University of Phoenix faculty and staff, I want to commend you for this remarkable accomplishment, and to wish you continued success.

Sincerely,

Chris Lynne
President, University Of Phoenix
