PROFESSIONAL SUMMARY

Interior Design student seeking a paid internship or summer position to gain hands-on experience and continue building technical and professional skills. I am currently an Interior Design student pursuing an Associate Degree in Interior Design with a strong foundation in spatial design, visual communication, and branding. Skilled in AutoCAD, SketchUp, Revit, and Adobe Creative Suite, with experience supporting design-adjacent projects, marketing materials, and creative production.

WORK EXPERIENCE

Western Technical College 2025 - PRESENT Interior Design Student Assistant / Program TA

- Support classroom and studio instruction by assisting with interior design coursework and hands-on design exercises
- Provide technical and software support for industry-standard design programs, including troubleshooting and workflow guidance
- Collaborate within a studio-based learning environment focused on design development and technical skill building

Market & Johnson 2023 - PRESENT Marketing Specialist

- Create, organize, and maintain proposal submittals for commercial construction projects, ensuring accuracy and visual consistency
- Produce photography and videography for digital marketing, advertising, promotional campaigns, and social media platforms
- Collaborate cross-functionally with marketing and leadership teams to support business development and branding initiatives

Muscle Car Restorations 2022 - 2023 Digital Marketing Manager

- Design digital and print graphics, including promotional and branded marketing materials
- Manage visual branding across multiple social media platforms to ensure consistency and quality
- Strengthen brand consistency through intentional visual storytelling and creative execution
