Dear Kalina,

I am writing to congratulate you on your distinguished academic performance this past semester. Your outstanding work has resulted in your inclusion on the Fall 2025 College of Arts & Sciences Dean's List, an honor awarded only to full-time students who achieve a GPA of 3.65 or above for that semester.

Your accomplishment would not have been possible without focus and commitment to your academic work. For this you are to be particularly commended. Without question, you have also benefitted from the guidance and support of faculty, advisors, and similarly engaged peers. When you return to campus, I hope you will make time to thank those others who helped you achieve your academic goals. In addition, as you are a role model for your peers, I urge you to share with them the skills and personal discipline that have enabled you to be so successful. You have so much to share with others!

Congratulations on this fine achievement and best wishes for continued success in your academic career.

Sincerely,

Gennie VanBeek, PhD
Dean, College of Arts & Sciences
