02	03	<p>Notes:</p> <p>After the Badger Region championships, Inferno is taking the rest of April off from volleyball activity. In consulting with our athlete development team (and a sport medicine physician), it was strongly recommended that all our athletes take a break from the same repetitive volleyball movements. It's important to give your body a break. We'll resume practices in May to get ready for Nationals. We will meet as a team for athlete development and video reviews during this time.</p>

04	05	Notes: *BJNC: The tournament will be 4 days long (3 days pool play/1 day bracket play). It is in Las Vegas this year and it's a stay and play tournament. Plan to arrive the day BEFORE the tournament starts and spend the night the last day of bracket play as well. It's possible we'll have the evening wave and we might not finish that 4th day until late in the night. We'll also try to organize a team bonding event at some point during the BJNC. More details will come on this as we get closer.
