Instructions! Read First!

**Read this first, and your ultra-cool Fridge Tabs
Will be ready in minutes!**

STEP ONE: Save printer ink!

There is no need to print out this entire bonus. Save printer ink! Do not print out the cover! Only print out the pages you are going to use.

STEP TWO: Cut out the “Tame Your Terrors” Card

Take your trusty scissors and cut just inside the bold dotted line on your selected fridge tab. (After you print it out, of course!)

STEP THREE: Cut to create the individual tabs

Take your handy dandy scissors and simply cut the lines radiating out from the central portion of the card. This will create the separate tabs and will enable you to tear them off when you make your call.

STEP FOUR: Display proudly! Use when needed

Use your favorite Fridge Magnet to tack up on your fridge. Or display wherever else you may need it in that unexpected moment of business yearning. When you make a call simply tear off the tab.

Imagine the feeling of accomplishment when they are all torn off!

YOUR TABS NEVER GET OLD:

When you tear off all your Tabs ... print out another sheet. As your own goals and change, use print out the blank Tab sheet and write in your own targets.

ABOVE ALL, HAVE FUN WITH THIS!

What the big players and your colleagues are saying about Rob Schultz:

Michael Port says: "Rob is someone to watch ..."

Rob is someone to watch because he literally . . . like almost nobody I have ever worked with . . . delivered on every single thing he promised, with such professionalism that sometimes I was surprised. Honestly.

The viral video Rob created for us -- called **Entrepreneur Idol** -- helped **Book Yourself Solid** remain one of the bestselling marketing books in the country. So, you can understand why I'm a big fan of Rob.

Creativity is clever. When you can combine it with marketing savvy it's productive. When you can deliver on your promises you change the world. Rob can do all three ...
