Merry Christmas to you and your family!

We are so thankful that you chose to worship with us this morning. While we certainly respect Christmas traditions, food, presents, and togetherness, we all ought to make certain that our main goal in life is to get to Heaven and take as many people with us as possible. As we worship this morning, I pray that we all can disengage from all the other things we have planned and focus on our Creator and His love for us.

This morning, we will look at some of the titles given to God while He was here on earth in the flesh. As we examine them, I pray that we do not take for granted the goodness God shows us on a regular basis and the interest He has in our everyday lives, words, thoughts, and actions.

Let us worship together today!
