This morning we will be talking about hell. It is the place made for the devil and his angels.

We will not avoid the teaching about hell. We will not keep people from hearing the truth about it. God has given this message in His word, so we will understand it, and make sure that others understand it as well.

It is something Jesus wants us to think about very carefully. We will do that this morning by listening to what the Lord Jesus taught about it. Then we will make application from what we learn from Him. We will also examine other scriptures that teach on this matter. If we are able to see a consistent picture, then we will know we are arriving at the right conclusions.

Let's study the word. We will find all our answers in there. When we hear the answer, let's embrace it, and accept it, as a reflection of our faith.
