Take time to pray for the people of South America today. Pray for wisdom to be given here, within this church family, as it relates to this work, we have been asked by the Barriers to do. Pray that people will want to go and teach. Pray that we will have teams to follow up in areas where work is going strong. Pray that we can plan wise steps in getting the work done in timely ways. Pray that we can sow seeds in the countries we visit. Pray that we can spur the brothers and sisters on to love and good deeds. Pray that we will fund the work that needs to be done, which would include sending the workers and projects of evangelism. Pray for leadership to develop in the churches. Pray that God would bless every trip with safety. Pray for God to change the hearts of the less courageous people here that need to go but don't want to go. Pray for our young people to be able to see this mission work as serious, normal, and encouraged in their future by everyone here. Pray for people to get their passports so they can be ready to teach.

Ask God to send out workers into His harvest field. The glorious gospel of Jesus Christ is worthy of our sharing. We should and must share it right here in Rogersville. And we have opportunity to share it the region of South America. What a privilege and blessing.
