Would you consider helping me with our **South America** work? This specific request has <u>nothing to</u>
<u>do with taking any trips</u> with me. I need some
people to help me organize and stay on a schedule
for tasks.

I need some people to commit 1-2 hours every 2 weeks, and I would be flexible to your schedule. I need to meet with you so that I can talk to you about what is going on in the country assigned to you. You would help to remind me about the projects going on, the people I need to be thinking about, and help me stay on task in communication with the members of the church. I need people that will hold me accountable for things I say I will do, within the 2-week period. And I need you to be persistent to follow-up with me every couple of weeks. And I need you to commit the country, the people, and our work here in your prayers.

I would like to have at least **one person for each country**. At present, we have communications going on in 7 countries. So, I would appreciate at least **7 people** for this work, and <u>there will be no pressure for anyone to visit these countries</u> with me. I just need some helpers.

If you think you can help me with this ministry, then let me know. I am expecting God to provide. Thanks in advance!

Alex
