**THANK YOU!** It does not seem like enough to just say thanks to everyone involved, but it is the best that I can offer...

***Vacation Bible School this year was an incredible success and we were able to make incredible connections with many families in our community. We had great numbers each night (186, 163, 165, and 187) and had many that were present each night.***

Please continue to invite and encourage the families that were here and a part of our week. We want the family here to be an even bigger influence on this area and we know that there are good people looking for what is missing in their lives. Share Jesus with them and watch them grow and thrive.

***A special thanks has to go to: Terrell Phillips, Mandy Webster, Audri Ragasa, Larry Wilson, and Mike Tays for their incredible work in planning and executing this year's theme -- The Masterpiece. Please thank them for this great effort and we are already looking forward to next year!***

Scott Wright
