Rogersville

Church of Christ

August 24, 2025

I am so grateful for the men who serve as elders here. For those who have served, continue to serve, and will serve in the future, may God bless you and may God grant you peace and comfort.

To our members, please pursue growth that you may serve in whatever area you are called and refuse to shrink back against titles or personality differences. It is easy to sit back and wait for someone else to step up, it is harder to put yourself into a position of leadership or perceived scrutiny. ***"Be strong and courageous, for you shall cause this people to inherit the land that I swore to their fathers to give them. Only be strong and very courageous, being careful to do according to all the law that Moses my servant commanded you. Do not turn from it to the right hand or to the left, that you may have good success wherever you go. This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success. Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go."*** (Joshua 1:6-9)

To our elders -- past, present, and future -- we are thankful for your willingness to step up and lead. It is a thankless task, unfortunately, because people have always believed they can do a better job... until they are asked to actually do it. Thank you for being humble leaders and for loving my family.

Thank you Lendale, David, Randall, Larry, Shane, Mike, Brock, and Mickey for showing us what consistency and faithfulness look like. -SW

Free Bible-Software Class

A Bible study e-Sword class will be offered in the annex Saturday, October 11 & 18 from 10:00 AM – 11:00 AM. Windell Gann will be there to guide you through the free Bible study app and to answer any questions you might have. You may go to the “Lightpost” app to sign up for this class, but pre-registration is not required. More information to follow.

Annex Set Up

We need individuals, couples, and families to help with setting up the annex for our fellowships. Hopefully we will have enough to sign up that each person or family would only be responsible for the duties periodically. This would really help to spread this responsibility so that the same people are not setting up each month.

There will be instructions/guidelines located in the annex’s kitchen closet, along with an updated calendar allowing us to see when the annex is available for set up. The serving and cleanup of the meals will remain the same, being based on the first letter of last name.

Please sign up in the “involvement”, “fellowship”, section of “Lightpost”.
