# ROGUE 8 HOP IPA

EIGHT ROGUE FARMS HOP VARIETIES

## STORY

In a bold collaboration with Mother Nature, we grow our own varieties of aroma hops at Rogue Farms in Independence, OR. We also string, stake, train, test, trim, separate, sort, kiln and cool them. Brewmaster John Maier meticulously selected and blended 8 varieties of our aroma hops to create the brash and burly flavors of our 8 Hop IPA, the boss of our IPA family.
