

GLOBAL VIEWPOINTS

Grades 10–12+

6" x 9" • 169–272 pp. • Library-bound: \$46.20 / **\$36.96** per title • Paperback: \$31.70 / **\$25.36** per title • eBook: \$46.20 / **\$36.96** or \$50.82 / **\$40.66**

As technology makes the world more accessible, students need exposure to social, political, environmental, and health issues of global significance. Each anthology in the **Global Viewpoints** series delivers contemporary views on the featured issue with much of the material reflecting stances of countries other than the United States. Primary sources, including speeches and government documents, join essays from international magazines and news sources for a panoramic view of important issues.

Key features of each volume:

- World map
- Guided reading questions to enhance reading comprehension
- Brief text sidebars
- Charts, maps, graphs, and editorial cartoons
- Discussion questions to foster critical thinking
- Annotated list of organizations to contact
- Periodical bibliography for each chapter
- Bibliography of books
- Subject index

“These books provide a unique perspective to today’s social issues and are **recommended** for school library collections.”
