

INTRODUCING ISSUES WITH OPPOSING VIEWPOINTS

Grades 8–10

 6 1/2" x 9 1/4" • 104–200 pp. • Library-bound: \$42.00 / **\$33.60** per title • Paperback: \$28.30 / **\$22.64** per title

Inspired by the highly acclaimed *Opposing Viewpoints* series, **Introducing Issues with Opposing Viewpoints** promotes issue awareness as well as critical thinking. Even more user-friendly and accessible than its parent series, it offers a wealth of information at a lower reading level in a bright, engaging package. This appealing combination helps more students grasp the controversies of our increasingly complex world.

Key features of each volume:

- Full-color photos, charts, and graphs
- Fact boxes that provide at-a-glance information
- Annotated bibliography
- Guided reading and critical thinking questions that focus on reading comprehension and argument evaluation
- “Facts About” section includes statistics and key facts
- Annotated list of organizations to contact
- Subject index

“The titles in this series will be **useful for students** studying debate topics or researching for papers. It also teaches the valuable lesson that there are two (or more) sides to every issue.”

—AMERICAN REFERENCE BOOKS ANNUAL
