First introduced more than 40 years ago, **Opposing Viewpoints** still sets the standard for current-issue studies. With more than 180 volumes covering nearly every controversial contemporary topic, **Opposing Viewpoints** is the leading source of current-issue materials for libraries and classrooms. Each title delivers pro/con expert opinions selected from highly respected and often hard-to-find sources and publications.

Key features of each volume:

- Guided reading questions to enhance reading comprehension
- Brief text sidebars
- Charts, maps, graphs, and editorial cartoons
- Discussion questions to foster critical thinking
- Annotated list of organizations to contact
- Periodical bibliography for each chapter
- Bibliography of books
- Subject index
