

Rotary Student Program

A CAREER MENTORING INITIATIVE

SUPPORTED BY ROTARY CLUBS
THROUGHOUT THE WORLD.

Rotary Student Program

Since 1905, the 1.2-million member Rotary organization has worked toward the common goal of providing relevant services to the world. In 2007, the Rotary Student Program launched a system that provides a valuable service to communities—Rotarians helping young people connect with business professionals living their dream careers.

MAKING A DIFFERENCE:

- Rotarians globally connect students with business professionals
- Students gain insight into dream careers
- Communities grow through new connections
