53

- Re-install all previously removed and saved panels, and fasteners.
- Tighten shoulder belt anchor to 29 ft.-lbs. (39 N·m).
- Ensure that harness and cables are not pinched under trim panels
- Drive vehicle outside to allow for a clear satellite signal to the antenna.

IMPORTANT: Please affix ESN stickers to owner's manual, mirror tag and orange tag. Install mirror tag and attach orange card to invoice. (These items in receiver kit).
