Subject: Amendment to Sailing Instructions for RS:One (Mixed Team) Relay Racing

(a) Delete and Replace SI 9.4 with below:

- 9.4 For subsequent starters (Lap 2-4), before the board who is racing finishes, the other board on her team waiting to start shall not have any part of her hull, crew or equipment on the course side of the starting line before her team mate completes the course and crosses the finishing line. If a board breaks this rule and is identified, her team shall be disqualified (DSQ) without a hearing. This changes RRS 63.1 and A5.
- 9.5 A board waiting to start shall not cross the boundary between the Post Finish Zone and the Prestart waiting zone through the line between the Start/Finish vessel and the Separation Mark. She may only enter the Prestart zone by sailing around the Separation Mark leaving it to starboard. She shall not enter the Prestart Zone until after her team mate has started and is on course side.
- 9.6 The RC will display the national letters of a board scored UFD or DSQ which applies to her team and that team shall thereafter leave the course area.
