Oggetto: Nastro Rosa - Offshore Worlds

Dear Riccardo

I am writing to confirm that World Sailing approved the Nastro Rosa as the host of the Offshore World Championship in 2021. As such, the format for the 2021 Offshore World Championships is approved. There is no requirement for the Offshore World Championship race to be a minimum length or time.

Although there were many discussions about the format for the Mixed Two Person Offshore event if it became Olympic, the format for the 2021 Offshore Worlds was always a separate discussion.

Please let me know if you need any additional information.

Best regards

Alastair.
