## 7. Description Of Incident

Gringo T boned us before the start and pushed us up to the right. We were on starboard. We have significant damage to our boat and we were forced to the right. During the collision, I believe Artful dodger came from windward and went underneath us and luffed us up. We kept clear and there was no collision but we took a voluntary penalty as they felt they needed to keep clear. We do not believe we had opportunity to go anywhere else. We were put into this position as a result of Gringo T boning us while they were on port and we were on starboard. Whilst we have taken a penalty to e conservative, however we request redress of the 2 penalty points

## 8. Damage Or Injury

Significant damage to the port side of our boat
