7. Description Of Incident

We were on starboard after passing the windward mark on layline to gybe mark. . We had overshot the mark sir to traffic and shifty winds.

Alberg was port. There was plenty of space for her to turn left, at least 50 feet to make her mark. She hit us in the aft port quarter

She did not hail us for room at the mark.

8. Damage Or Injury

Stanchion bent, stanchion base broken, lifelines damaged, fiberglass scuffed.
