7. Description Of Incident

We where going dowind on port and tur 1212 following

Tur 1212 luff and we got space to tack

After finish tack and on a proper course tur 1212 aiming our boat tack back and we had to luff to avoid him. There was a contact between sui318 and tur1212.

Tur1212 didnt took penalty on the first reasonable opportunity and keep us stuck in last and for that reason without our fault we got our score in the race and in the series significantly worse without fault from our own.

8. Damage Or Injury
