## 7. Description Of Incident

Boat 347 was rounding the Leeward Mark three boat lengths ahead of boat 370 and had room on Dave Ullman's team when boat 370 crashed into boat 347 with their spinnaker up on port jibe. Boat 347 repeatedly said "no room", our spinnaker was already down and in the boat. We were rounding slowly inside Ullman's team who was giving us room when boat 370 collided with us in the middle of our boat while we were rounding the mark. This pushed us into Dave Ullman's boat as they pushed us backwards we had no steerage and put us out of rounding the starboard gate from first into last by 45 yards. We raced hard to finally beat one boat for a score of 16 in that race.

## 8. Damage Or Injury

Slight damage to starboard side
