## PROCEDURAL MATTERS

1. The redress request is a result of a capsize in an incident between INA3 and THA26 in Race 9 in which THA26 accepted a post race penalty of 30%.after arbitration.

## FACTS FOUND

1. At the arbitration, THA26 accepted that she broke Rule 10 and 14 and therefore was penalised with a 30% penalty in accordance with Appendix T T1(b)
2. INA 3 capsized as a result of the incident and requested redress under 62.1(b)
3. Just before the incident at M1 leg 3, INA3 was on starboard converging with THA26 on port .
4. INA3 and THA26 were leading boards and it was 50:50 as to which board was leading when they converged.
5. THA26 finished 1st and INA3 finished 2nd in Race 9

**Diagram:** Diagram not endorsed

## CONCLUSIONS AND RULES THAT APPLY

1. Although INA3 was entitled to redress having capsized due to the action of THA26, her position from a 50:50 chance of being 1st to a final position of 2nd is not significantly worse and therefore does not satisfy the criteria in WCR 62.1.for redress to be given.
2. THA26 is given a post race penalty of 30% resulting in her score being changed from 1st to 3rd and by default, INA3 becomes the leading board in Race 9 even though finishing in 2nd place(with all other positions unchanged)

## DECISION

1. INA3 is not granted redress.
