7. Description Of Incident

Tanzer 22 #1175 and Tanzer 22 #183 were both sailing on port tack. Boat 1175 was sailing parallel with boat 183 on a line about 2 boat lengths to starboard of boat 183 and slightly ahead, approximately 1 boat length. With no warning 1175 tacked directly in front of 183. Skipper of 183 immediately tried to avoid collision by turning hard to starboard (basically to duck boat 1175) but did not have enough room to avoid completely.

8. Damage Or Injury

Damage to 1175 port gunwale within 1 metre of stern. Damage to motor of 1175.
No significant damage visible on 183.
