Diagram: one square = hull length; show positions of boats, wind and current directions, marks.

After the start of Race 2, the ability to see the individual recall flag nor hear any sound signal to determine whether to return to the line - ^{was} impossible ~~was~~ to identify due to a number of factors; being the canopy of the start boat being an obstruction as well as the dinghy on top of the ^{start boat} canopy, the RO behind the flags with a blue shirt further adding to the inability to identify the flag as well as the ~~continuation~~ ^{down the start sequence} of flying the blue finishing flag ~~at the~~ as stated makes it impossible to identify the individual recall flag as you can ~~not~~ not hear or possibly see it.
