## 7. Description Of Incident

Number 124 and me were on starboard tack approaching the upwind mark, number 124 was leeward from me, I was on the layline clear to round the upwind mark, number 124 was not on the clear way to round the upwind mark, he was below the layline, number 124 abruptly lifted his kite and made a tack turn, I had to lift my kite up to 12 o'clock to avoid a tangle, this slowed me down a lot, our kites touched and we were really close to a tangle but I managed to keep sailing after the incident. I did not see number 124 take a penalty turn. We both finished the race.
