

Placement of Event Limitation Marks, WSCA stickers and branding

Ensure that WSCA stickers are applied correctly:

- B-Stickers are for the hull
- M-Stickers are for the hydrofoil mast
- K-Stickers are for the kites

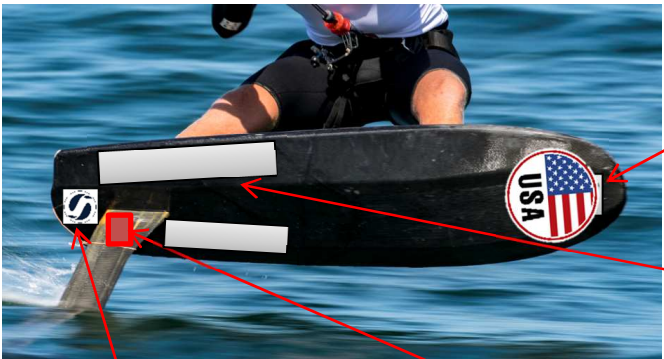

For Kites (K-Sticker and Event Limitation Marks):

Center cell, close to the leading or trailing edge (not covering any registered series production plaques and / or serial numbers)

For Hulls (B-Sticker and Event Limitation Mark):

WSCA Sticker and Event Limitation mark on the transom

Hull Nationality insignia:
Nose (bottom) of the hull.

The Event Sponsor Sticker must be placed on both rear sides of the hull

Class Insignia: behind the hydrofoil mast

For Hydrofoil Systems (M-Sticker and Event Limitation Mark):

Stickers must be placed on the STARBOARD side of the mast, app. 5cm from the top of the mast or in the dedicated places in the plaque..

If helmet stickers are required:

Helmet Nationality insignia:
On both sides of the helmet above the ears
