7. Description Of Incident

Before the start signal at the start boat end of the line we warned Char Chan with a hail of no room as she was preventing us from coming up to our desired course but she continued to barge in below the committee boat forcing us to bear away to avoid a collision. We immediately hailed protest and raised our protest flag (which flew for the whole race. Char Chan was not observed to do a penalty turn to exonerate herself at any time after the start to the end of the first leg.
