Show position of boats, wind and current direction, marks.

The RC scored these 5 boats ZFP, but then later realized that some of them may not have returned to restart and may have been OCS at the start. The RC did no signal for individual recall, and does not have a record of when these 5 boats crossed the line. They were not recalled and thus their finishes were likely made significantly worse through no fault of their own.

(RC suggests average points for all 5)
