NOTICE TO COMPETITORS

Date 18 June 2018

Time 1200h (GMT+7)

Notice Number 7

From Organising Authority

Subject: Support Vessels Berthing, Launching and Recovery

COACHES

For their own safety, coaches are strongly requested to berth their support vessels onto the offshore pontoon overnight or during the day, when there is maintenance work done on the ramp leading to the pontoon attached to the shore, due to construction work issues.

The organising authority will organise a shuttle ferry service to transport coaches to their support vessels.

COMPETITORS

There will be volunteers during the event to assist with launching and recovery. However, they may not be familiar with the handling characteristics of each boat. As the waves at the ramp may crash with huge energy and force, it may be dangerous for competitors. Competitors are requested to help each other at the ramp during launching and recovery, for the safety of everyone involved.
