Other Comment:

7. Description Of Incident

At the race number 4, I was coming to the finish line on starboard. GBR 6593 was coming to finish line on port. He can't cross in front of me and made a tack, but it wasn't enough space for tacking and I needed to luff to avoid the contact.
(I would like to have a translator from russian language on the protest)

8. Damage Or Injury
