## 7. Description Of Incident

I was on the layline for the upwind mark;

I decide to tack, I complete my tack and change my foot strap so I was starboard the kite pass the 12 to gain speed and Mario arrive just below me and decide to tack his kite touch my kite and close my tip, this make me crash on the water, Mario also crash, my kite going down due to the tip collapse and we touch each other, I couldn't do nothing to avoid the contact, it was a no sence scene because he know he could not pass... my lines was tangle and I come back to the beach to send the foil due to the collision.

I was fighting for the podium and I could not complete the race, I ask a redress for this race.

Maxime
