- All high school (9th-12th Grade) matches in the first round will play an 8-game Pro Set. High School main draw matches after the first round will play 6-game Regular Sets (2 out of 3). High School consolation round matches will play an 8-game Pro Set.

 - In the event of a third set in the Championship Match, the third set will be played out as a 6-game Regular Set.
- Each player will be guaranteed at least two matches during the tournament.
- Seeding
 - TCSAAL will seed randomly. Participants from the same campus will be placed on opposite sides of the draw to ensure teammates would not play each other until the Championship Match. TCSAAL will make first round matchups from different regions when possible.
- Officiating
 - TCSAAL will have a hired official as well as TCSAAL staff on-site to oversee play and act as a line judge if necessary. Students are expected to make their own line calls throughout the tournament. An official can be requested at any time if there is a scoring dispute, or if a player is stalling.
- Continuous Play
 - Warm-Up Time
 - TCSAAL will utilize a 5-minute warm-up period. Warm-up is not a practice time. Players should allot time for each area of their game including serves during this 5-minute period.
 - In-Game Play
 - As a principle, play should be continuous from the time the match starts (when the first service of the match is put in play) until the match finishes at the conclusion of the last point.
 - Between points, a maximum of twenty (20) seconds is allowed. When the players change ends at a changeover, a maximum of ninety (90) seconds are allowed. However, after the first game of each set and during a tie-break game, play shall be continuous and the players shall change ends without a rest.
 - At the end of each set there shall be a break of a maximum of one hundred and twenty (120) seconds. The maximum time starts from the moment one point finishes until the first service is struck on the next point.
- Coaching
 - Coaching is allowed during stoppage in play. However, coaching must take place during the time span discussed above in “in-game play” and they must leave the court area for play to resume.
