**Athlete Eligibility**

The 2019 IFMA World Championships (Elite Divisions Only) and International Tournament (Competitive B Class Only) are open to all athletes that satisfy the following eligibility criteria. Entries are accepted from any national federation affiliated to IFMA. In countries where there does not yet exist a member National Federation, IFMA reserves the right to accept entries on a basis of special invitation.

Athlete eligibility: All competitors must satisfy the following conditions to be considered an "eligible athlete":

- Gold medalists in the Competitive Class B of past IFMA events will not be permitted to remain in Competitive Class B and must be entered in the Elite Division. Registrations will be monitored/cross checked by IFMA, however, if it is found out at the event that an NF has entered such athlete into this division, and already have an Elite athlete in the same weight category, the athlete will be disqualified and not permitted to compete.
- Silver & Bronze medalists in the Competitive Class B of past IFMA events will be analysed and considered by the selection committee as to whether they will be permitted to stay in Competitive class or move to Elite.

If the two federations concerned desire, they can ask IFMA to reduce or even to suppress this delay in conformity with the IFMA Rules and Regulations.
- The IFMA Executive Board reserves the right to allow participants to represent the country of which they are a permanent residence instead of their passport nationality, given that the boxer has never represented the country of origin on their passport.

The Sport Authority of Thailand will conduct in-competition tests as Testing Authority during the event. THA-NADO, the Thailand National Anti-Doping Organisation, will collect the samples and these will then be analysed by the WADA-accredited lab in Bangkok. Collection and analysis will be carried out in accordance with the International Standard for Testing, the International Standard for Laboratories and the 2019 Prohibited List.
During the event period, from 20-28 of July in Bangkok, athletes can be tested at any time or place, urine or blood, with no advance notice. The event testing plan includes finishing placement tests, random tests, pre-competition tests and target tests.

It is each athlete's personal duty to ensure that no prohibited substance enters his or her body. Athletes are responsible for any prohibited substance or its metabolites or markers found to be present in their samples (see Article 2.1.1 of the Code and IFMA Anti-Doping Rules).

ATHLETES MUST EXERCISE EXTREME CAUTION REGARDING NUTRITIONAL SUPPLEMENTAL USE.

**TUEs**
The World Anti-Doping Code permits athletes to apply for TUEs, i.e. the permission to use, for therapeutic purposes, substance or methods in the Prohibited List in force where use would otherwise be prohibited. IFMA recognises TUEs that have been granted by National Anti-Doping Organisations (NADOs). After an athlete submits a duly completed TUE application with the required supporting medical documentation to IFMA, it can take up to 30 days to receive the decision of the IFMA TUE Committee, and a TUE certificate if the application is approved.

For more information regarding TUE application please visit the IFMA website: http://www.ifmanuaythai.org/anti-doping/tue/

The TUE application form can be found here: http://www.ifmanuaythai.org/wp-content/uploads/2013/02/TUE_Application_Form.pdf

**Results Management**
In the case of an Anti-Doping Rule Violation, IFMA is responsible for the initial results management process and taking the decision of imposing any sanction relating to the Youth World Championships, such as disqualification. IFMA will also manage the imposition of sanctions over and above those relating to the Youth World Championships, such as period of ineligibility.

**Information & Education**
Fair Play is one of the most important pillars of muaythai. More information on anti-doping can be found in the doping-free section of the IFMA website: http://www.ifmanuaythai.org/anti-doping/resources-for-athletes/ (including FAQs, WADA’s Q&A and interactive Quiz)
