

Texas Charter School Academic & Athletic League (TCSAAL)
Baseball Rules & General Procedures
2020-2021 Season

TCSAAL will primarily follow the NFHS Baseball Rule Book.

FIELD DIMENSIONS

- i. 6th-8th Grade and High School teams will play on a field with 60' pitching dimensions and 90' base dimensions.
- ii. Regions may opt to allow for 6th-8th Grade teams to play on a smaller field, but this will be taken on a case-by-case basis between the teams involved and the TCSAAL Regional Director. However, the State Tournament will be played with 60' pitching dimensions and 90' base dimensions.

EQUIPMENT

TCSAAL will primarily follow NFHS Equipment guidelines.

BASEBALL BAT RULES

All 6th-8th Grade Baseball teams will be subject to the following regulations regarding bats:

Big Barrel Bat Rules (2 5/8" or 2 3/4") – Must have the new permanent USSSA Mark on its taper OR be a qualified BBCOR bat. TCSAAL does not allow wooden bats.

All TCSAAL High School Baseball teams will follow NFHS BBCOR regulations. TCSAAL does not allow wooden bats. NFHS BBCOR Approved Bats: <http://www.mme.wsu-ssl.org/certifiedbaseballbats.aspx>.

Exception: TCSAAL will not enforce article 4 of the uniforms section concerning logos.

DURATION OF GAME

- i) In all regular season games, TCSAAL will enforce the following in regard to duration of gameplay:
 - During the regular season, games will be scheduled for 1 hour 45 minutes for 6th-8th Grade and 2.0 hours for High School. A new inning cannot take place following the 1 hour 30 minute mark for 6th-8th Grade or 1 hour 45 minute mark for High School, unless the score is tied at the time.
 - Regular season games will have a 10-run cap per inning.
 - **EXCEPTION:** If the losing team is down by 10+ runs, this rule will not take effect unless the losing team retakes the lead. If a team retakes the lead after having a 10+ run deficit, their half of the inning is over.
 - **TCSAAL will also enforce the following mercy rule: The game shall end if either team is behind 15 or more runs following 3 complete innings or 10 or more runs after 4 complete innings.**
- ii) **For all playoff games TCSAAL may require the time restrictions detailed above or a variation of such for the purpose of facilitating tournament.**
- iii) At the State Tournament, home team designation will be determined first by winning percentage, then total number of wins (if winning percentage is tied), then a coin flip (if total number of wins is tied). However, if both teams have undefeated records, the home team will be determined by a coin flip.
- iv) All TCSAAL Varsity Baseball games will be capped at 7 innings. All TCSAAL 6th-8th Grade Baseball games will be capped at 6 innings.
- v) In all regular season games in which games end in a tie by virtue of the time ruling or the inning ruling, said game will finish as a tied game. Only playoff games will result in extra innings (tie-breakers and regional/state tournaments).

DUGOUT DESIGNATIONS / ASSIGNMENTS

- ii) For all playoff (tie-breaker, regional & state tournament) games, TCSAAL will assign both home and visiting team dugouts. Teams will not be able to choose their own dugouts for any reason.

HOME TEAM EXPECTATIONS

The home team is responsible for keeping the official scorebook, but TCSAAL will require both teams to keep a scorebook as well as provide a line-up card for the opposing team and the umpires. The home team is also responsible for providing a scoreboard for the game. The home team is responsible for providing a digital or flip scoreboard for all of their home games if the facility scoreboard will not be available to them. Lastly, the home team is responsible for providing 1 volunteer to record on the official scorebook and 1 volunteer to update the scoreboard throughout the game.

TEAM REQUIREMENTS FOR PLAYOFF GAMES:

In any playoff round, the Home Team is responsible for the Official Score Book and the Visiting Team is responsible for keeping the Official Score Board. Both these volunteers will sit at the Official Scorer's Table and they will be the only personnel at the table. If one team doesn't have a TCSAAL approved volunteer, the opposing team will be responsible for both volunteer roles. All other Regular Season requirements remain in-effect for Playoff Games other than the volunteer roles described above.

Any rules not covered in these rules will follow NFHS rulebook.

All players, coaches, and spectators are bound by these rules and the TCSAAL Handbook.
