Description

The Visions sliding shower or tub door from DreamLine offers breathtaking style for your shower area. The Visions sliding door has $\frac{1}{4}$ " thick clear ANSI certified tempered glass which glides fluently on the anodized aluminum guiderails. Two sliding center doors are flanked by two stationary panels creating a convenient center walk-in opening. Fast release wheels make cleaning the glass and track a cinch. Anodized aluminum guide rails offer an accommodating installation with up to 1" out-of-plumb adjustment on each side. Choose the Visions sliding door to add an eyeeful of beauty to any bathroom.

Features

- **IMPORTANT!** All measurements should be taken only AFTER walls are finished (tile, acrylic back walls, etc.)
- Semi Frameless glass design
- Anodized aluminum wall profiles allow up to 1" out-of-plumb adjustment on each side
- Width adjustment: Anodized aluminum top and bottom guiderails can be trimmed up to 4"
- Two sliding panels with two stationary panels on sides create a center walk-in opening
- $\frac{1}{4}$ " (6mm) thick ANSI certified clear tempered glass
- Hardware available in Chrome or Brushed Nickel finish
