

Sweet Sorrow

G D/F# Emi Ami G/B C Emi D
Oh sweet sorrow, on the heels of my reckless soul
G D/F# Emi
Oh sweet sorrow,
Ami Emi D Emi
Flooding all around me now, red sea rising to my shoulders
D Dsus D C D/F# G
Where we walked across dry land—so long ago.

V2 Oh sweet mercy, your love letter it bleeds my pride.
Oh sweet mercy,
Now I've sold all you gave, other lovers could not save me

But you are kind and strong and will not leave me to die.

V3 Oh sweet redemption
Smell the burning incense fire
Oh sweet redemption
Least of these, a chosen few, raise the mighty from the fool

Your ways are not like mine—they are much higher.
