RE: Letter of Recommendation
SUBJECT: Heavy Bid 101 Training

Scott,

Thank you for coming to our area office in Renton, Washington yesterday for a one-day training of HCSS' HeavyBid. We strive to provide outstanding training for our staff in estimating, as well as other areas of construction; The time you spent with our management staff was of tremendous value in supporting this current mission!

We have a strong relationship with SJCC based on my personal experience with you in the Pacific Northwest and in Hawaii. The "real world" experience you bring to the table will do nothing but make our team stronger and sharper.

Thanks again for helping improve our company. I'm happy to speak on your behalf should any potential clients wish to learn more about SJCC or you personally.

Sincerely,
