Go to the main content message home name my message close everyone knew exactly what to do. Ms Luhtanen created, Mr Luhtanen sold. On the basis of this clear division of tasks, Vihtori Luhtanen founded its own clothing company in 1907. And the fire grew. Even despite the lack of materials during the Second World War. Even after his son Jaak's takeover. A year earlier, he had the idea of moving from the smaller Lahti to greater Helsinki to recruit new wholesalers, helping the family business take the next step up the development ladder. Evolution followed. Luhta has found its way into the sports goods market through traditional clothes. Later, in the very middle of ski fashion. The undeniable design of the Finnish brand left an impression - even further south. Luhta has expanded by sending its top quality articles to an increasing number of Luhta dealers. From the far north, through the Alps, to the whole world. The brand has long been felt at home, but still remains at home in quiet Lahti, where unique designs are created that combine the optimal function with the meaning of Nordic fashion. LUHTA PRODUCTS: HIGH QUALITY PERFORMANCE INSTALLATION If behind jackets, trousers and shirts is a family business, the requirements of individual products organically grow from the inside. Luhta articles are no exception. Quality and design converge, innovation spurs new material ideas and fashion experiments - not forgetting traditions. Because Luhta always keeps it focused. The Finnish brand sees its more than 100 years of experience as a big plus. This allows it to create new innovations on a safe footing. The performance plays a crucial role in this. Luhta products should accompany you as long as possible on trips to the Alps, protecting you from the cold and At the same time, you can make a stylish look. So in the evening you can easily take jackets from Luhta Sale to the bar. After all, Athleisure and the far north go together perfectly from different perspectives.
