Using one man at a time, open the door and remove obstacles for the other members of your team. Agent Green's on the case! Explore the mysterious cave and discover the world's greatest tomat recipe! Build, bend and punch your way through the human body! Do everything you can imagine with your reliable dice thrower. Help ninja get to the gong in this crazy gravity-changing game! Control a team of ninjas to rotate the world and make way for a gong for a black ninja. Enter a world of puzzles where you have no one, but many minds. Use them together to grab the keys, unlock the door and search for answers. Skata's back, and there's only 60 seconds left before he's due to take the flight! Run, jump and drive back to the North Pole before you're out for 60 seconds! One of the scariest games ever. You'll have to move fast and buy a lot of upgrades to win this one! Calculate and spend wisely. Activate bounce! Can you find a way through spikes and past guards to jump into the Basket? Skating, skating, and slime your way over fifteen dangerous levels. Dodge lasers, jump over spikes and axis on the na Evil lab! You're a mucus stain trapped in the lab. Dodge traps, avoid lasers, and use your slimy powers to escape! The evil wizard has kidnapped the princess! Help Jo and Momo work together to jump obstacles and save her! The level of beating is just the beginning. Try to get every penny in this tricky platformer. Sergeant and Radley Madish have taken all your customers! Travel to Munchmore Land to save Dad Louie and the other trapped customers! Don't turn around! Keep running and jumping through this mysterious landscape. These little faces can't stop jumping! Help them collect all the stars, be careful! You're haunted by your past! Run and jump to eat carrots and avoid the clones from the shadows! Is there any treasure in your destiny? Only if you can avoid spinning blades, skip the lava and avoid dangerous monsters! The colored pipe monsters are back! Collect colored stains (or avoid them)! to walk through the walls and reach the tube. What kind of pirate loses his treasure? Captain Blox, who's who! Explore the world and retrieve his lost coins. This colored monster has to get to the pipe. Change the color of monsters to make platforms, walls and obstacles disappear! Help this ninja overcome his ultimate challenge... by delivering a letter! Throw the stars and use your ninja skills to break through. And deliver the letter, too. Help the vampire finish his quest! Break into the castle and find the witch to see the sun for the first time. For something different? You run through an endless cave, collect electricity, avoid enemies, collect artifacts and find treasure! For a challenge? Get your weird little ball through this weird black and white world. The controls are really hard to get hang of! More high levels! Help the red ball to his goal and be sure to knock out all the stars along the way. Watch out for the bad guys! Stomp's back for another adventure! Break down all colored blocks and get to the floating platform. This vampire wants to find a wizard who can help him see the sun. Explore the castle, avoid traps, take down enemies and reach the wizard. It's Christmas Eve, and Santa only has 60 seconds to go to his toy shop. Run, jump and break through obstacles to do so in time. Jellydad's family is trapped in the space station! Crawl through openings, hack into computers, and avoid enemies to save your family and escape! Direct light beams, activate buttons and levers, press boxes and roll balls to help Fireboy and Watergirl collect all the diamonds and reach the exit! Run through the maze and obstacles to reach the burger stand. You only have 60 seconds, so you better start running! Santa claus has lost all this year's Christmas presents! Help Rex explore the North Pole, find them all and save Christmas! The magic sphere of life has been stolen! King Commanded Ao to recover him. Help him investigate the dungeon and bring him back! I control all the little black boxes at the same time. Can you collect all the stars, get them all to the door safe? Escape the traps, skip the fire and avoid other jellies to reach the exit on each level. Figure out how to collect all the lightning and cover the world in jelly. Collect the energy blocks. After the first level, you can not collect all the blocks without hitting spikes or falling. But your spirit will help you! Help the three jelly creatures explore mysterious tropical islands. Use their different abilities to collect all the stars and find the statue on each level. Use your water hose to run LOCOM through each level. Be quick and avoid traps, but don't run from the water! Help Dash Dash and his friends race through each level. Remember each course, collect coins and buy the upgrades you need to stay ahead of Dr. Sawa! Help explorer Rex climb the walls, avoid spikes and skip the lava to explore the temple and collect the hidden treasure. By Popular Demand: Prequel to Run 2! Warning: This game requires a large amount of concentration and memory. The citizens have been abducted by evil ninjas! Help the red warrior jump up and turn to free them from the cage. Poof! Help the Magicians pick up their cards and escape from every level. Use your mirror images to help you, but you'll have to avoid a lot of obstacles, too! Help Blym get through every enigmatic level by turning him into blocks and using a teleporter! Help Fireboy and Watergirl work together to collect all the diamonds and get through each maze to the exit. Help to work your way through each level. Make it quick, sticky or heavy and figure out what to do from there... Use the boxmen to reach the floating cube on each level. Use the shift key to create multiple boxmen. How many boxmen are you going to need? Use a magnetic tractor to move all the crates into the trucks. Plan to finish loading in advance as quickly as possible. Use a magnetic tractor to move all the crates into the trucks. You will need to figure out the order to complete this task as quickly as possible. Help the red ball to his goal and be sure to knock out all the stars along the way. Watch out for the bad guys! More awesome levels! Use a magnetic tractor to move all the crates into the trucks. You will need to figure out the order to complete this task as quickly as possible. More high levels! Help the red ball to his goal and be sure to knock out all the stars along the way. Watch out for the bad guys! The third game in the popular Fireboy and Watergirl series. Help Fireboy and Watergirl collect all the diamonds and get to the exit! Use crystal portals to teleport. Help Fireboy and Watergirl collect all the diamonds and get to the exit! Warning: This game requires the amount of and memory as you run (or skate) through 3 dimensional courses. This game will mess with your head a little bit! You can do one thing with Beavus and it's a click to jump it. Once you start playing, it's hard to stop! Great level puzzler. Control more magicians as you collect playing cards and avoid dangers to get through each enigmatic level. This is the great puzzle of the labyrinth. Run through the levels while trying to avoid being crushed by a giant snowball. Great sequel to a great game! While wanting creatures to travel to mysterious islands, combine them to do new things... But beware of monsters! Different colors want creatures with different abilities traveling mysterious islands. Combine them so you can do new things. Beware of the scary monster! Back in the tubes! Use colored stains to change the level and reach the next tube. Bounce on enemies to copy your powers! Master the elements of water, fire, grass, rock and air. The evil wizard stole your candy! Jump over tricky platforms and run through hidden aisles to get your candy back. You travel through the ghostly landscape, surrounded by snakes, bats and evil monsters. Can you survive and get to the end? Your master has been taken by evil ninjas! Use the special skills of Red Panda and Giant Panda to save him. Turn the switch and make sure you get to the exit. But don't break the rules! Each level has a new set of rules to follow. You're trapped in a mine! Use your reliable dynamite to clear the way and escape. Complete the Run trilogy! Explore hundreds of new levels in a vast new galaxy. Ready... Set... Go! Avoid the dragon's fiery gaze at every price! Sneak past him to get your treasure back. Can you run away without setting yourself on fire? Are you afraid of ghosts? Face your fears and use your vacuum to break them. Explore the ghostly villa and find your lost puppy! When you're stuck in 2D, try adding another dimension! Rotate the 3D world to get a new perspective. Pick up the stars to win. Use the shield to fly through the air, bash your enemies, and block your fireballs! What can't this thing do? Happy Squamas to everyone and good night to all! Climb the ice tower to meet the mysterious father of Squamas. Use the cold to your advantage! Throw snowballs to freeze your enemies and survive a harsh winter. Use your jetpack to fly around a dangerous space station. Find all three cards and destroy the reactor core! Belt on treadmill sneakers! Skip the dangerous spikes and hungry bears to collect coins and get to the exit! The spirits of the forest need your help! Find the spiritual stones and restore hope to the dying forest. Not everything is what it seems. Turn gravity to fly to the ceiling, grab the keys and find But watch out! The walls could be thought through. The world is split in half! Jump between dimensions to build speed. Speed, Spikes and reach the highest platforms! The nightmare haunts the tower! Jump up and get on top and face your boss! Can you defeat him? Jump over the cactus, avoid the monkeys who throw bananas and don't crash into a car! Finding the truth is dangerous. Can you handle it? Don't crash! Skip obstacles across platforms to reach your goal. It's hard being an Olympian. Can you beat level one? There's firelies buzzing everywhere! You'll need a sharp sense of direction to collect 100 and escape from the forest! Zoom forward using a hydro-powered jetpack. Jump and jet through dangerous caves. Can you get out of master time and get a red gem? Don't let the world run out of power! Run to the power socket and plug in before the batteries reach zero. Jump, dash, shoot and rappel from the ceiling! Do everything just by pressing one button. This adventure begins with a gamble. Explore different countries to find new powers. Use them all to become a super cube! He's waited a thousand years, but the third time is a charm! Go back to the castle and find a scientist who could help the vampire finally see the sun! Ah yes, nice day for a bold expedited expedition. I say, there are strange monsters here. And what other excitement awaits in this mysterious land? You're a ninja with a secret power. You can cut around the world to move it. Use your ability to cut the world to land impossible jumps. Long shadows, cutting blades and bottomless pits. I hope you don't get scared easily. Face your fears and safely reach the portal. Only one egg can stop the monsters from the shadows. Use your special legs of force to free your friends and save the world of eggs! Drift away, high on the clouds. You're not going to get to the top in one go. Learn to move one little jump at a time. No courage, no glory! Time your moves perfectly grab the gold and open the hidden treasure chest. Just don't get on the spikes! Jump between planets and avoid dangerous space debris! Scroll to the space mailbox to deliver the lost letter. Go in a retro search for candy. Jump on the bugs and step on them. Find a boring one you can't get to? Fall through the floor to beam to the ceiling. Boing, boing. Boing, boing. Boing, boing. Bounce over the gaps and moving platforms. Can you beat the timer to get three stars? Get some time to hang! Skip the sharp spikes and get to the exit portal. Make some tricky moves to unlock all achievements. Can you feel the rhythm? The lava can, and it keeps moving, and it's coming straight at you! Stay cool and safe by skipping over it. Oh no, the evil chef attacked again! Drive him through three different worlds and save your pig buddy. Jump off the walls, turn gravity and launch yourself from the portal to get to the flag. Every few is a new path. Can you master them all? The spaceship is malfunctioning! That means it's time to get to work. Jump to all platform platforms Fix the ship. Stop running before you fall into the pit! Can you make it to the tower, or are you going to crash all the way back down? It's time for a rude awakening! Jump out of bed and start running to save the day. Drink magic potions to get super powers and open all your chests. Think of yourself with your rowing assistant and start breaking bricks! Turn the switches, destroy the ice cubes and avoid the current without falling down the holes. You control the rotation of the world. Use your powers to uncover the secrets of a mysterious lab! Run, jump and turn gravity to get into the hole. Can you master the flow of gravity and fly over the levels? Brrrr! Climb and dash to the snow-covered mountains. Are you going to risk grabbing all the strawberries on the way? No intruder will get in there with all the traps you've put up. But you forgot one detail... What happens when you want to leave? Jump and glide to safety by helicopter. Pass alligators, spiders and dangerous spikes. Then face the flying worm, monster boss! Prove you deserve a magic bowl! Master your teleportation powers to make impossible leaps! Then use your archery skills to take out your boss! Quaff magic potions for learning new spells. But every time you learn a new one, you forget the old one. Can you cast the right spells to free your friends? Lights out and you're in the dark? Finish each level twice. Run, jump and use a laser drill to get out of the mine. Get all the gems to try out the super-hard bonus levels! Scuba Bear needs help collecting all the treasures on his list! Dive into the caves to collect all the hidden treasures. Fall through the floor and wrap around the edges of the temple. Use your camera-changing skills to solve puzzles and meet! This forest isn't as safe as it looks. Grab your dinner and hop your way to safety. There's only one way... Up! Skip your way past all obstacles to reach the top. Sometimes when you want a banana, you have to break a couple of coconuts. Clean all the tiles, but be sure to leave your way to the exit! Venture into the caves in search of ancient coins. Dodge dangerous spikes and traps and claim your treasure! Smile, you're on TV! Use your magic hat to fast forward, pause and rewind. Can you get to the magic portal? One day, every little bird has to learn to fly... And today is your day! Find your missing feathers and soar through the sky. You're out of gas and stranded in space! Grab your space suit and embark on a quackular space adventure. Grab the treasure of the jungle! But angry monkeys and poisonous plants won't make it any easier. Can you get the jewels and survive? There's no way we're going to jump that high on our own! It's a good thing you can be in two places at once. Work with your reflection to defy gravity! Race through the danger of mail delivery. Jump over the spikes and Way. Nothing slows this mail bunny down! Use the power of gravity! Float and fly to avoid chainsaws, shout out through portals and touch all the squares. What is a little pink cube to do in a dangerous world? Master gravity, jump over enemies, dodge cannonballs and get to the flag! Are you as good at trivia as you are on the platform? Make sure you don't forget the question and save your pig buddy. Jump off the walls, turn gravity and launch yourself from the portal to get to the flag. Every few is a new path. Can you master them all? The spaceship is malfunctioning! That means it's time to get to work. Jump to all platform platforms Fix the ship. Stop running before you fall into the pit! What is a little pink cube to do in a dangerous world? Master gravity, jump over enemies, dodge cannonballs and get to the flag! Are you as good at trivia as you are on the platform? Make sure you don't forget the question while avoiding dangerous spikes and chainsaws. This is not your average lap with legs... Can run, jump, glide, dive, smash and more! How soon can you get to the flag? Avast ye matey! There is a wealth of treasure hidden on the island. Push and jump on your trusted crates to find it and get rich! You have the power to blow up walls just by jumping into them! But don't hit the bombs or you'll be the one to blow up. Run, jump and swim through the city. Can you find enough spare changes to buy a refreshing can of soda? Master the elements in the new temples of Fire, Water, and Wind. Work together to collect the jewels and get to the door. Strap on safety glasses and step into an all-new lab! Each level has a new set of rules to follow. Don't break them or you'll explode! How to find an invisible wall? Simply, throwing away a little paint and seeing where it's holding! Spray the walls to get through. It will take a whole tray of ice cubes to solve this puzzle! Collapse on to melted lava to create a platform and help your future cubes. Control the power of ice magic! When you see something moving too fast, grab a wand and get it stuck with a cold spell. Jump through the shadows. Climb up next to the security robots, then turn off their lights! No legs? No problem! Run and skip the dangerous spikes and get out safely. You have been chosen to govern the Magic Arch! Use fire and ice to defeat the bad guys and grab the prey. Soar through the clouds and swim through the sky! Can you go through all the temples and find the secret area? How did the cannon cross the road? Easy... He blew himself up with cannonballs! You're distorted in your video game. Get to the beat, squash the bugs in your code and get back to reality! You fell into a giant well! Find the powers and tools you'll need to run, jump, and climb the sky. You see a berry that's not fitching? No problem, you can rearrange the world and grab a snack! You're the ball. You can roll. And you can jump! Keep rolling and jumping without falling into the infinite void of the universe! There's no way we're going to stop moving through the icy ground! Skip obstacles, save lost mice and birds and find the missing keys. Take your bubble gun and squeeze! Hop on your bubbles to grab the berries and avoid the spikes. Here is an amazing running and jumping robotic fox! Dodge the red spikes and use the wind tunnels to jump to safety! Every day you can a little faster, jump a little higher and get a little further. Can you achieve the ultimate goal: Success? You're on fire! Melt the ice, light campfires and most importantly, do not touch other stains. Jump and break through the wasteland. Find your keys and get out as fast as you can! The show must go on! Skip the insidious gaps and jump through the ring of fire to set up a major circus act. Swing your wings and you'll be flying in time. But when you get tired, you'll fall from the sky! What do you get when you combine a rhino and a turtle? Horns, a shell and a seriously unstoppable creature! Only an ancient artifact can end the arson of your village's crops. Explore dungeons and fighting monsters to find him! Every goal comes with a sacrifice! You'll need to be creative to get to the signpost without jumping or walking. You have the power to remake the world! Move the platforms, skip the dangerous obstacles and reunite with the princess. You can't fly yet, you haven't even hatched completely! Go back to the nest without breaking the shell. You can control the platforms! Turn them on and off at the right time to get to the portal safely. You're trapped in a dungeon full of spikes and poisonous torment. Can you take all the coins and run away safely? It's time to eat! Hurry to the honey before you run out of energy. Can you find a sweet treat in 12 strokes or less? Run and jump, with a twist! Rotate platforms to create a new route. Grab the jewels and get to the door safely. It sounds simple, but that's because we didn't mention all the spikes and lava. Jump over the moving platforms twice to get to the other side! Change the colors to get the keys and unlock the rainbow door. Use your knowledge of color combinations to mix the right color. It's time to call in the rain! Find your friends and rainstone to start the ritual. Jump through the ice caves to find your crystal partner. Use your powers to stick to your back and avoid spikes! You have to walk before you can run, jump and push! Find your powers, cross obstacles, and reach the finish line. No jumping? No problem! Solve puzzles, meet friendly neighbors and find a spaceship! How do you overtake time? Easy, just stop it completely! Freeze time to solve puzzles and escape from static. You found a damn mirror and captured you in an alternate dimension! Do you know the color wheel? Get the colors to work together to grab the keys and get to the finish line! Nobody has legs to jump this. Learn to move by bouncing off the ground and walls! This trip to the bakery is not a cake walk! Jump and double jump over spikes and dodge lasers to reach your delicious rewards. Now you see him, now you don't see him! Every time you jump, the platforms change. Can you get to the flag? Jump, glide and survive while the rules change all the time. Each section has a new challenge to master! Ghosts haunt these corridors. Grab Grandpa's magic camera, where they hide and those inside the photo! Your biggest obstacle is your past movements! Keep moving to grab the key, but avoid doubling back over past positions. Use your magical powers to take control of other entities. Fly like a bat and move like a ghost to cleanse the dungeon of evil monsters! Use the powers of Spider and Rabbit to save your friends! Crawl over the ceiling, then transform to make bold jumps. Page 2 Focus... Relax... Release! Aim carefully at

your shot and use the wind to hit the bullseye. Hole in one! Sort your recordings to get a low score. Bring your best golf swing to this crazy neon course. How's your three-point shot? Aim over defenders and obstacles, or smash right through them! How high is your critter IQ? See how few moves you need to get this little IQ Ball critter on your target! After finding hidden treasure buried on the beach, Simon and his brother must defend it from pirates, Vikings and other treasure thieves! This sequel is full of better graphics, awesome physics, and even more wacky puzzles than the original. Take your best shot! Jump in your tank and roll! Defeat enemies, raise money and buy tank upgrades. You will need to spend your money wisely to beat harder levels. This is a weird miniature golf game! Aim your shot perfectly to get the ball in all 18 holes. Now that you've finished the Academy, you're ready for real sticky ninja missions. Achieve your goal and escape! Tear down the green block towers in this crazy physics. Each kick costs points, so plan carefully and use the smallest ball possible. Start the engine and fire the cannons! Blow up your enemies and take their money. Make your tank ultra-powerful with new weapons and upgrades! Ready. Goal. Fire! Turn the levers, turn the switches and warp through the portals to score in this crazy physics game! Shoot the basketballs from the cannon to the hoop! But first you're going to have to clear your own way! Would you like to play a round of golf in space? Knock your golf ball through the bow with as few kicks as possible. It's time for dinner! Start slinging webs spider style! Grab the flies and wrap them up for dinner. But stay away from those annoying bees! Ready, aim, fire! Line up your shot and remove all the colored candy with as few shots as possible. Ready, aim, fire! Aim for bubbles and connect the right colors to clean them as quickly as possible. It's getting harder! Can you keep up? Ready to riot? Line the corners and shoot the balls back into the bricks. Don't get too close, these balls have a hard shot. The enemy has called for backup. Only you can defend the island! Upgrade the crossbow and sink their ships. Help these jumping bugs escape Workshops! Jump into the portal while avoiding dangerous traps. Dad Longleg's all five kids have a birthday today! Sling nets and climb around the house Deliver slices of birthday cake for them. Returning from his last adventure, Eratosthenes discovered a treasure trove of ancient scrolls in the Library of Alexandria! Help him travel through Egypt again and spread knowledge. You have a new mission: to save the missing bees. Jump into action and use your rope swinging skills to find them and bring them home. Launch zombies from the cannon into happy faces in this crazy sequel. Aim and let those rag dolls fly! He's back and he's hungry! Help the blue animal catch Christmas sweets in this winter wonderland. Help dad longlegs package flies in his daughter's gifts for the holidays. But be quick, there's not much time left! Grab your nine iron and head back into space for some crazy galactic golf. Use planetary gravitational wells to get a hole in one. Monkey bananas are trapped! Shoot the right bubbles to free up dinner. This bubble popper comes with a twist. Make the right shots to pop them all and hit the gold star! Help daddy longlegs catch all the flies in your network. But keep an eye on the bees chasing him around! Break all your eggs by firing the skeleton out of the cannon. Don't let the eggs fall off the screen! Excellent sequel to the popular IQ Ball game. Help the little blue animal catch his piece of candy! one care! Help the little blue animal pick up his candy in this horrible Halloween world. Help the ninja jump around the training ground in his quest to become a ninja master. You will need to understand the best route and how to deal with obstacles. Travel through Egypt and scroll to educate the peasants. Target your shot and control your power to spread knowledge all over the country. The mummy lost her head! Help him bare over the obstacles and safely return him to his sarcophagus. Fun shooting game where you have to make lumps of three of the same color... Before everyone gets too low. Blossis is back! Throws balls at the towers of the blocks to knock them down and get to the target score. Each shot costs points, so take advantage of the smallest ball you can. Shoot the fluffy cannonballs to turn the boxes into a color that matches the little one inside each box. It couldn't be more fun than that! Sequel to the popular game Color World! Shoot the fluffy multicolor cannon balls at the boxes to turn them into the same color as the little one inside the box. I played this game until my hands hurt. It's a great arithmetic practice when you're recording things. Can life be much better than that? Help the little blue animal pick up his candy in this strange mechanical world. Grab the gears, boxes and other objects to pull the animal towards them. Help Daddy Longlegs deliver holiday gifts to his daughter. Shoot at the nets to climb the walls, pick up gifts and move items. Launch zombies through obstacles in this very cool Aim for happy faces and let those rag dolls fly! Fly! Cool levels on this strategy of shooting, skill and logic games. Your goal is to knock down the blue blocks while holding the green blocks on. Can you get the ball in the portal? You'll have to aim and time your shot to win. Warning: Once you hit level 8 it becomes much harder!! Aim and launch the balls to bring down the structure. You will have to think ahead and plan your moves! Tear down the towers of red, yellow and green blocks. Earn stars and unlock new balls that are more powerful but cost more points. Wacky! Dunk monsters in a lion without hurting teddies. Try to do as few shots as possible! Shoot the skeletons out of the cannon to break all the chicken eggs. yes, that sounds like a normal thing to do. I've played this game over and over again. You shoot the ball to hit balls of the same color to make them disappear. If they walk you to the hole, you lose! Shooting, jumping, geometry, angles... Clean the screen as quickly as you can! Sounds like the perfect game! Use a woolly mammoth to launch 8 different nuts to hit all the nuts. You will need to aim and figure out the best way to hit as many nuts as possible. Very addicted! Launch stains with different abilities to combine all the yellow spots into one giant (and very happy) lump. It's like basketball, but with birds! You don't think there's any thinking in here? Figure out how to get birds into baskets isn't as easy as it sounds. Raise the alarm! The pirates have come to rob your island. Upgrade your cannons to keep them at bay. Someone built a water park on your buried treasure. Get back in the raft and go get it! one care? Toss vampires a healthy dose of garlic bulbs and send them rolling over from the edge. Ding ding ding! Smack snowball in shiny gems to win points. Guess the right shots to unlock the multiball. Try to set a new high score! Before! Swing your way to the hole in one. But keep an eye out for the inconvenient dangers of water and sand traps if you want to get three stars. Ready to fire the cannon again? Turn the switches and press the keys so you can shoot and score! Can you drive and aim at the same time? Defeat enemy tanks to get powerful upgrades and build your super tank! Help Santa fill his bags with presents! In this great puzzler, click on the items to remove them and let the gifts fall so That Santa can collect them. Ding-ding-ding! Can you hit the perfect shot? Launch your ball from the bouncer and knock out all the red targets! All carrots are scattered all over the islands! Collect them carefully without being taken out of the basket. The penguins are ready for battle! Blow your enemies into the freezing water to defend the South Pole. Outlast your opponents in the ultimate copter arena. Grab upgrades and superpowers, avoid the toxic fog and be the last to fly! Did you practice your bank shot? Back off from obstacles and enter the basket. The evil samurai has kidnapped all your friends. Climb the walls with your hook to capture and release them! Grab the sign and take your best shot! Can you read the corners and run the table in this classic billiards game? What's more fun than stacking blocks? He knocked them down! Fire a slingshot to clean them off the platform. Guess the links and show off your putting skills. These holes are pretty silly! You will need to use magnets and portals to achieve a score in a par. Blow up the orcas and the elves! Knock them out to get more balls and power the damage multiplier. Mushroom critters are trapped. Take aim, pop bubbles and set them up for free! How did the cannon cross the road? Easy... He blew himself up with cannonballs! Test your reaction time in a split second in this golf course and pong porridge. Angle perfect shots knock out all goals without losing control! Line up your putt for a hole-in-one! Watch out for the hills and water traps. Master a normal course and then take on the challenging one. Before! Aim and set the power to hit the perfect shot. Keep an eye out for inconvenient slopes and water hazards. Test your goal in online multiplayer! Race your opponent to zero first. You'll have to calculate your own score. Hit the beach and show off your best football shots! Aim your shot to get all three stars and score. Solve puzzles with your cat companion! He won't take orders, but he'll be chasing the ball of yarn. Pour the Jellybots into the lion! Can you destroy them all before you run out of throws? So many marbles, so little time. Use your blaster to match the colors and remove all the marbles! Marbles!
